## Mother's Day

Is Our Chance to  
Say  
Thank You  
Mom

For the many needs  
you filled,  
The lessons giving  
us direction in life  
And the purest  
meaning of love.

As we live our lives,  
remember,  
because of our mom,  
there is nowhere we  
are likely to have  
ever gone, where a  
prayer has not  
already been....

### TOO FUNNY

If my body were a car, this is the time I would be thinking about trading it in for a newer model. I've got bumps & dents & scratches in my finish. My paint job is a little dull.... BUT that's not the worst of it....

My headlights are out of focus & it's especially hard to see things up close My traction is not as graceful as it once was. I slip, slide, skid & bump into things even in the best weather. My whitewalls are stained with varicose veins.. It takes me hours to reach my maximum speed.

My fuel rate burns inefficiently...

But, here's the worst of it...

Almost every time I sneeze, cough or sputter, either my radiator leaks or my exhaust backfires.!!!

## Nason Bros. to Have Horse Market Here

Harry McNair, one of Chicago's biggest horse dealers was in Chesaning last week and purchased 20 head from Nason Bros. which were shipped to Jersey City, N.J., Wednesday.

Mr. McNair was Highly impressed with Chesaning's farming surroundings and also visited the Prairie farm before returning to his home.

These horses were bought from the Flint Spring Water Co. who motorized it's system and Nason Bros. bought their entire equipment of horses and wagons, It's Nason Bros. intention to establish a horse market here and they have just completed a large building to be used for housing and selling,
